

How Payers and Providers are Working Together to Integrate Care for Medicare Beneficiaries

AHIP Institute
June 9, 2017

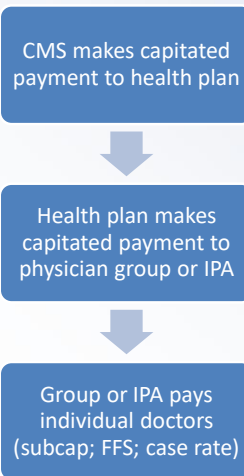

Introduction

- About CAPG
 - 300 risk bearing physician groups
 - Members in 44 states and Puerto Rico.
 - Capitation is the preferred payment
- CAPG Mission
 - To proliferate coordinated care across the nation

How it Works: Percent of Premium Capitation

3

Why it Works: Aligned Incentives for Quality, Efficiency, Pop Health

4

- 5 Star Quality Rating Program
- Accountability for a defined budget
- Accountability for a defined population

The Results Speak for Themselves ⁵

- Oregon study shows higher survival rates for MA capitated downstream versus MA FFS downstream
- Lower ER utilization; lower rates of preventable hospital admissions
- High levels of patient satisfaction
