

## HealthCare Executive Group – Newsletters & eBlasts

Subscriber members of the HealthCare Executive Group Network receive a periodic newsletter sharing recent information from HCEG’s thought leadership presentation and networking events. Also included in these newsletters are information and insight on specific [HCEG Top 10 focus areas](#), current and upcoming sponsor resources and events, and other information of value to healthcare leaders. eBlasts are single topic communications delivered on a more frequent basis than newsletters.

The following newsletters were shared to over 5000 subscribers throughout 2021 and since the pandemic began.
