

## HealthCare Executive Group – 2021 Partner Resources

Over the years, the HealthCare Executive Group has partnered with other organizations that help advance HCEG’s mission of “*Guiding Executives Through Innovation, Change, and Growth.*” With most partnerships, HCEG has presented a session or series of sessions at these partners conference events. HCEG is thankful for its partnerships with these organizations and urge members of the HCEG Network to avail themselves of the insight and information made available by these organizations.

To learn more about how HCEG partners are helping to transform the healthcare delivery system, check out the following resources and click on the partner logo to access their website.
